

# Gowing's Swamp

## Entrances/Parking

- Park in the Ripley School parking lot, then walk to the left of the building and through the playground
- The trail begins at the far end, just past the 'gathering circle'

## Trail Conditions

- Generally easy walk on level to rolling terrain
- A bridge to the northeast of Gowing's Swamp requires stepping up and down and there's one wet and rooty trail segment

## Special Features

- Large bog system with unusual plants
- Interesting glaciated terrain
